

# LITERARY CLUB REPORT

---

Event: 1

## ICEBREAKER

Date: 4 July 2022, Monday

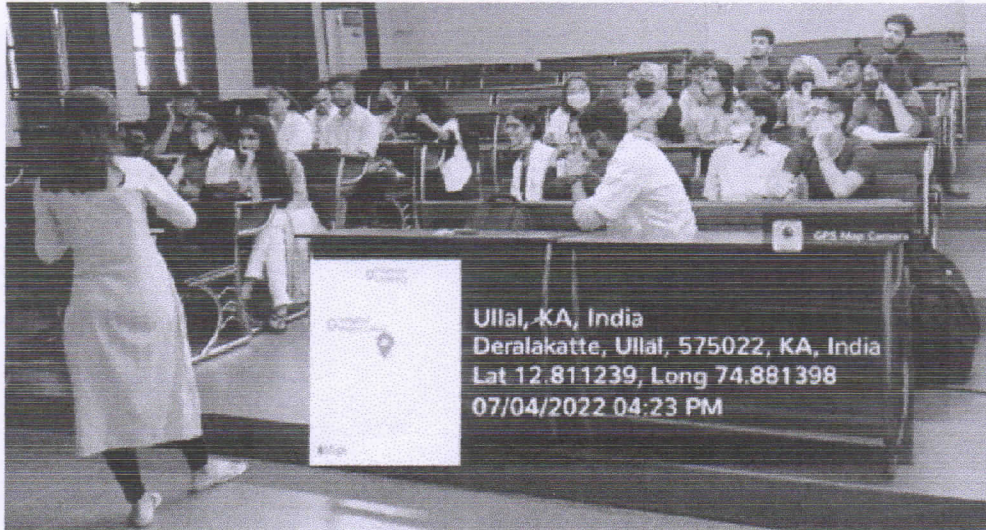

Time: 4 PM

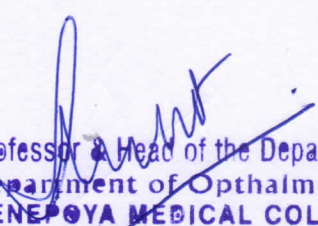

Venue: Lecture Hall 2

**Details:** The session was hosted by Prajna Jangam and Saquib Ahmed (MBBS 2019).

Around 30 students were in attendance, including students from all batches of Yenepoya Medical College. The meeting was also attended by Dr Sheetal Savur, Dept. of Ophthalmology.

**Remarks:** This was the first session of the Literary club for the year 2022-23, in which we gathered interested students, who each introduced themselves, spoke about their favorite novel/movie/ TV series/ poem and each shared a verse or an interesting fact or their thoughts on a particular piece of art and expressed why they liked it. It was a session where we learnt more about our club members and also their expectations from the club. We understood the kind of events they are interested in and this helps us to plan future events accordingly.
