

Report of inaugural of music club

The music/ drama/ dance club had a music session on 4th July, 2022 4.30 pm onwards at Yenviron .

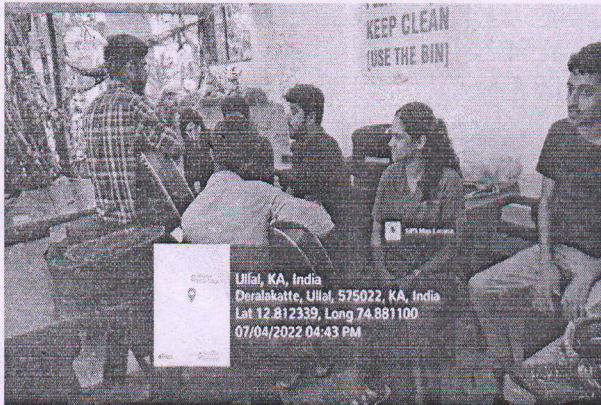

Club coordinator Dr Sheetal Savur , Additional Professor of Ophthalmology was present for the inaugural program.

Students from all MBBS batches participated. Instruments used were guitar and clap box (percussion instrument)

A regular jam session was conducted which involved a steady flow of guitar chords with the chorus/ verses of various songs.

Further discussion of what new sessions could be included was decided which included an *open mic session* (where people could give names and audition to sing with the mic in the next meet up)

Instrument and Classes + guidance for learners and beginners was also discussed

Coordinator Dr Sheetal Savur ,
Additional Professor, Ophthalmology
