2. Dance workshop
3. Introduction and feedback session

Event hosts:

1. Anushka V. Raut Desai
2. Vidushi Agarwal
3. Sabarish Krishnan
4. Fasna

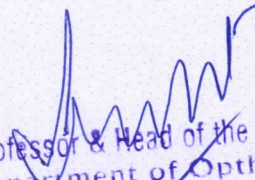

No. of participants: 26

Description of events :

The meeting began with an address from Dr. Sheetal Savur , HOD, Department of Ophthalmology. We proceeded with a fun filled ice breaking session that involved the participants dancing to some groovy tracks. The highlight of the event was a dance choreographed by the hosts which was

laught to the participants over the next hour. The song chosen for the same was ' Bhool Bhulaiyaan' and the style of dance was bollywood. After a satisfying and exuberant dance workshop, we all sat down for an informal introduction session . All the participants also gave invaluable feedback about the meeting.

FEEDBACK :

1. I as a host, was very happy to realise that this event was as it was the a success and first everyone enjoyed it one. We were tired but satisfied that our hand work paid off. Everyone appreciated us and I am really looking forward to what the future meetings hold for us.
