12	<p>Brief Report of the Event</p> <p>The event comprised two major components: the formal handing-over ceremony of the Surgery Club Blades and Beyond and a hands-on academic training session on intercostal chest drain (ICD) tube insertion.</p> <p>The handing-over ceremony, titled “Passing the Scalpel”, was conducted over a duration of 45 minutes. During the ceremony, the outgoing council of Blades and Beyond was formally dissolved, and responsibilities were transferred to the newly elected council. The founding President, Dr. Hrishab Hegde, officially handed over the leadership of the club to Ms. Ayesha Rida, the incoming President. The ceremony was attended by esteemed faculty members and dignitaries of Yenepoya Medical College, marking a smooth and dignified transition of leadership.</p> <p>Following this, a 90-minute hands-on training session on intercostal chest drain tube insertion was conducted under the theme “The Fifth Space”. Undergraduate students were trained using mannequins with appropriate equipment and instruments. The session included a comprehensive discussion on indications, contraindications, procedural steps, and potential complications associated with ICD tube insertion. The training aimed to enhance both theoretical understanding and practical skills among participants.</p> <p>The session was attended by a total of 75 undergraduate MBBS students from the 2021, 2023 and 2024 batches of Yenepoya Medical College and was conducted in an interactive and academically enriching manner.</p>
13	<p>Outcome of the event</p> <p>Gain in knowledge/skills acquired- (for training programs)- theoretical and hands on experience for ICD tube insertion</p> <p>Pre-test average: Test not conducted Post-test average: Test not conducted Knowledge/Skill Gain: Practical competence in intercostal chest drain (ICD) insertion</p>
